Where Children Are the Priority!

To Whom It May Concern:

Dobson Academy staff and students are looking forward to continuing our partnership with the Be Kind People Project and participate in the community service, “Socks, Soap, and Shampoo” Drive in the spring of 2020 to benefit children and adults experiencing homelessness and need in Maricopa County. We believe that this act of partnering with the community and giving back will be a wonderful experience for our staff, students, and families to partake in. If anyone has any further questions, comments, or concerns, please contact: Jordyn Genevro at jgenevro@ballcharterschools.org. Thank you!
